## About Me

I am a BCA Undergraduate with a strong foundation in web development. My expertise lies in HTML5, CSS3, Bootstrap, Visual Studio, SQL, and data structures. I possess comprehensive knowledge and practical experience in these areas, allowing me to create visually appealing and user-friendly websites. With a keen eye for detail and a passion for clean code, I strive to deliver high-quality results. I am highly motivated, adaptable, and continuously seeking opportunities to enhance my skills and stay up-to-date with the latest industry trends.
